

Announcement on Adding “Get UID” API on Huobi Global

Dear users:

Huobi Global will add the “Get UID” API on November 26, 2020 at 18:00 (GMT+8), allowing users to view the user ID of the account easily. Details are as follows:

Get UID

Users can view the UID of the account via the above API key.

API Key Permission : Read

HTTP Request

GET /v2/user/uid

Return Parameters

Name	Mandatory	Type of Data	Description
code	true	int	Status Code
message	false	string	Error Description (If any)
data	true	object	
uid	true	long	UID

Effective Date: November 26 (GMT+8)

Please refer to [Huobi API Docs](#) or the [Spot API Change Log](#) for details.

API users need to evaluate how the API improvements will help with their trades and update relevant Apps accordingly.
